

LIFETIME PAINT & STRUCTURAL WARRANTY

To our valued customer:

Congratulations, by selecting a genuine SNUGTOP you have made the obvious choice to own the very best. For over 55 years SNUGTOP has designed and crafted innovative products which has made it the leader in the fiberglass Truck Cap industry. SNUGTOP takes great pride in this tradition.

This **Lifetime Paint & Structural Warranty** is extended to you by **Custom Fibreglass Mfg. Co.**, 1711 Harbor Ave., P.O. Box 121, Long Beach, CA 90801.

This warranty applies to you the original purchaser and to the new SNUGTOP Cap/Lid when purchased from an authorized SNUGTOP dealer. This warranty is non-transferable and applies to the original Cap/Lid only for as long as it remains with the original and first truck of installation.

THE STRUCTURE of your new SNUGTOP fiberglass Cap/Lid is warranted to be free from defects in the materials and workmanship for as long as you own it.

ALL OTHER COMPONENTS, such as doors, windows (excluding glass), boots, hardware, etc. are warranted for a period of one year from the date of the first retail purchase.

PAINTED EXTERIOR FINISHES of the Cap/Lid are warranted for the life of the product against defects in workmanship and abnormal fading (if the Cap/Lid fades faster than the truck).

LIMITATIONS AND EXCLUSIONS OF THIS WARRANTY

The following limitations and exclusions apply:

- Damage due to abuse, misuse, accident, improper installation, removal or reinstallation, alterations, lack of maintenance or normal wear and tear is not warranted.
- Glass breakage or scratches are not warranted.
- Cracking resulting from impact or misuse is not warranted.
- Damage caused by installation performed by anyone other than the factory or an authorized dealer is not warranted.
- Damage to accessories or content other than the Cap or Lid is not warranted.
- Damage or wear and tear to the truck's paint finish caused by the Cap/Lid resting on the truck rails, the Cap door touching the tailgate or the compression boot touching the truck cab is not warranted. (See also care instructions).
- Damage caused by operating the truck with the Cap door or the Lid in the open position is not warranted.

WARRANTY REPAIR OR REPLACEMENT

If your SNUGTOP Cap or Lid is found to be defective under the terms of this warranty, it must be returned to an authorized SNUGTOP dealer for repair and/or shipment to the factory. Repairs will be made at no cost except for shipping cost to the place of purchase, the nearest authorized dealer of the factory, whichever is less.

INCIDENTAL OR CONSEQUENTIAL DAMAGES

SNUGTOP does not authorize any person to extend any obligation with regards to this limited warranty except as provided herein. The original purchaser's remedy for breach of warranty shall consist solely of repair or replacement as provided under the terms of this warranty. No warranty of merchantability or fitness for a particular purpose, if any is implied from the sale, shall extend for a longer duration of this written warranty. SNUGTOP expressly excludes liability for any incidental or consequential damages as a result of the purchase or use of the SNUGTOP fiberglass Cap or Lid.

OTHER WARRANTIES

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

VALIDATE YOUR WARRANTY

This Lifetime Paint & Structural Warranty will be protected only if you complete and mail this attached warranty registration card back to us or register online at www.snugtop.com within 15 days of the purchase date. Retain and make available "proof of purchase" at the time of any warranty claim. The original sales receipt matching the serial number on the Cap/Lid and the warranty registration form on file, constitutes proof.

Important Care Instructions for your SNUGTOP Truck Cap or SNUGTOP Tonneau Cover

Your SNUGTOP will give you years of trouble free service if you follow these recommendations:

To Prolong The Life Of The Finish

- To properly care for a painted surface, wash (*with a mild detergent*) and wax the Cap/Lid every four to six weeks with a high quality car or boat wax.
- Do not use abrasive cleaners.
- Do not wipe painted surfaces with a dry cloth (*Please wait approx. 60 days before waxing to allow for maximum cure of the paint finish*).
- Do not scrape off ice and snow from your Truck Cap or Tonneau Cover.

RUBBER COLLAR ONLY: Reduce paint wear by regularly keeping the area between the rubber collar and the back of the truck cab free of dust and dirt.

How To Care For The Parts On The Cap And/Or Lid

- Lubricate all moving door lock and Lid lock parts regularly with an oil base lubricant.
- Do not use any silicone or petroleum distillate (WD-40) type spray lubricants.
- Lubricate locks, hinges, locking rods, etc. regularly.

Checking For Proper Fit Periodically Prevents Wear

- Check the proper fit of the SnugLid Tonneau Cover periodically. Improper gaps between the SnugLid and the truck bed may cause paint wear and could be an indication that the mounting hardware needs tightening or adjustment. Contact your SNUGTOP dealer if necessary.
- Paint wear caused by the SnugLid Tonneau Cover resting on the truck rails is not covered by this warranty. Follow specific Installation Instructions to minimize movement of the Lid.
- Improper tightening of j-hooks (mounting hardware) may result in excessive movement of the Truck Cap causing paint wear where the rubber seal makes contact with the truck rails and where the rubber boot makes contact with the vehicle cab. Engine and road vibrations can also cause mounting hardware to work loose.

NOTE: Contact your SNUGTOP dealer regarding the availability of products, which protect the truck surface against scuffing and/or chafing.

Caution: Always drive with the SnugLid closed and locked.

Removing And Re-installing Your Snugtop

If your Truck Cap or Tonneau Cover needs to be removed or re-installed please

- follow the Installation Instructions supplied by your SNUGTOP dealer or
- visit your SNUGTOP dealer for assistance or
- visit www.snugtop.com for the location of your nearest dealer or a copy of the installation instructions as well as care and maintenance information.

WARRANTY — IMPORTANT

Please return this registration card within 15 days to activate your warranty. You may also register online at www.snugtop.com

WARNING!

- Truck Caps and Tonneau Covers are not designed to serve as passenger compartments.
- State laws prohibit carrying passengers in the bed of a pickup truck.
- Do not occupy the pickup truck box while the engine is running or the vehicle is moving. Serious or fatal injury may occur from collision or carbon monoxide poisoning.
- Always keep your Truck Cap doors closed while driving your vehicle.
- Always keep your SnugLid Tonneau Cover closed and locked while driving.
- All mounting hardware requires regular inspection and occasional tightening. If you detect any wear or corrosion on mounting hardware, contact your SNUGTOP dealer for factory replacement parts.
- This Truck Cap / Tonneau Cover is weather resistant but not weatherproof. Please take appropriate measures to ensure the safety of any items of value.
- This Truck Cap is not a 'Roll Bar'. In case of an accident, it does not provide protection to the occupants of the vehicle.
- Never transport the pickup truck, with a Tonneau Cover installed, with the rear of the truck facing forward on a flatbed or tow truck.
- Protect yourself and others - buckle up!
- Make other family members and additional drivers aware of these warnings.

Roof Rack Warnings

- Do not load your rack in excess of the rated rack capacity.
- Loads must be secured to be properly retained in all moving and stopping conditions.
- Be careful when heavy loads are carried high as they can alter the center of gravity of your vehicle.
- Do not exceed the rated load capacity of your vehicle.
- If you have questions, contact your SNUGTOP dealer.

Congratulations on your selection of a new
