

# SNUGTOP<sup>®</sup>

THE PERFECT FIT

## Strength, Versatility *AND* Style

**SNUGTOP** is proud to introduce SNUGPRO: a new fiberglass line of commercial truck caps. As sleek and sophisticated as they are durable and functional, this heavy-duty line of fiberglass caps offers optimum worksite efficiency.

You might not be able to put your finger on it, but you know it when you see it. Extra care and attention to detail. More durability. Well thought out designs. With a near-fifty year heritage of manufacturing excellence, the bar has been set high at **SNUGTOP** and the entire team is proud of their craftsmanship. Add to this state-of-the-art manufacturing technology and you'll see why **SNUGTOP** is second to none in **Strength, Versatility *AND* Style.**
