Extend Your Horizons with BEDSLIDE

BEDSLIDE has innovative features to help make loading, transporting and accessing your equipment quick and simple.

The BEDSLIDE is easy to operate with a single T-Handle release and full width grab bar to assist in the open and closing.

A powder coated steel frame secures with factory brackets and features a strong and durable composite deck with black spray lining surface. This 100% waterproof and durable deck provides the ultimate surface for nearly any cargo. Plenty of options are available to secure your cargo using the BEDSLIDE Guardrail or D-Ring tie downs.

FEATURES INCLUDE

- Easy operation. Reach anything from beside your tailgate.
- Smart installation with factory mount locations. (No drilling)
- Organize, store and secure your cargo easily on the Bedslide.
- BedTrax system and guardrails with D-ring tie downs to help secure your payload.
- Multiple locking positions for safety and convenience.
- Equipped with safety straps when in stowed location.
- Extends the use of your truck for work or play. Enjoy your truck more.
- See your Ford Dealer for installation, no drilling required.
- 3 year / 36,000 mile warranty.
