LEER® Group offers a full line of product for you to sell with all Ford light duty trucks. The Ford Licensed Products by LEER® Group include bed caps – both recreational and commercial, Pace Edwards by LEER® UltraGroove Electric retractable covers, and BedSlide® by LEER®. Your customers may add one or more of these products to the Ford F150, SuperDuty, Ranger or Maverick.

Ford and LEER® Group have made it super easy for you to order these products. We have created simple to follow instructions to find the part number to enter into your ordering system. These instructions can be located by scanning the QR Code on this sheet, or by visiting www.snugtop.com/ford, and clicking on “How to Order Ford Licensed Products”.

You can also view and download product information for all the Ford Licensed Products by LEER® Group at the same site using the QR Code or visiting www.snugtop.com/ford, including installation instructions, features and benefits, and warranty information.
